

# AIKB35 After School Activities Selections Semester 1st, 2026

©ISAQ

# Little Chef by Yummy Cookery School

## Course Description

Level : K0 - K3

Day: Monday (K0-K1)

Wednesday (K2-K3)

Friday (K2-K3)

Maximum : 20 students

Fee : 800 B / class

### **FOOD ALLERGY NOTICE**

**FOOD PREPARED IN THIS  
ESTABLISHMENT MAY  
CONTAIN WHEAT, FISH,  
DAIRY, EGGS, SOY, AND NUTS**

This course will mainly focus on the origins of food, learning each flavor and cooking and baking simple treats. At these ages, children are not allowed to use electric stove, oven or be near them yet they will be helping us by mixing the batters and doing creative and colorful decorations.

**\*\*Ingredients may contain dairy products; egg, milk, nuts, etc.\*\***

# Music & Me

## Course Description

Music and Me is a fun after-school class where children explore music through singing, rhythm, and gentle movement. They build coordination, listening, language, and social skills while learning to follow instructions, express themselves, and enjoy making music together in a calm and caring environment.

**NEW**

Level : K0 - K1

Day: Monday

Fee : 400 B / class

# Shodo / Shosha

## 書道・書写

NEW

Level : K2

Day : Monday (K2)

Maximum : 10 students

Fee : 500 B/ class

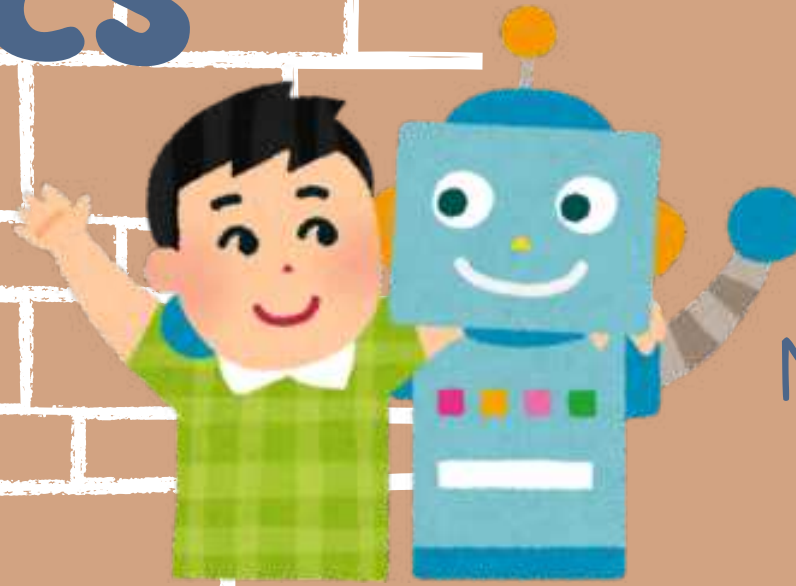

### Description

このクラスでは、鉛筆や筆を使いながら美しい文字の書き方を学びます。ひらがなや簡単なカタカナを丁寧に書く練習を通して、きれいな文字を書く力の土台を育てます。集中力や丁寧に取り組む姿勢も育みます。

# Kid's Robotics

Level : K0 / K1 / K2 / K3  
Day : Monday (K2-K3)  
Wednesday (K2-K3)  
Friday (K0-K1)  
Maximum : 15 students  
Fee : 800 B/ class

## Description

LEGO Education materials are applied to provide children with simple manual machines. This constructive learning approach encourages Kids to enjoy 'Learning by Doing', and promotes their concentration, fine motor exercise, spatial relationship, creativity, as well as logical thinking & problems solving skills.

The course is truly based on STEM Education: Science, Technology, Engineering, and Mathematics.

# Playdough

Level : K0 / K1 / K2 / K3  
Day : Monday (K2 - K3)  
Wednesday (K0 - K1)  
Maximum : 15 students  
Fee : 600 B / Class

## Description

**Creativity is encouraged and imagination is expressed through this fun learning activity. It strengthens hand muscle skills (improving fine-motor skills), it is also a calming activity that children experience (relieve stress developing a positive self-esteem: no right or wrong). Come join this colorful, fun, and stress-free activity.**

# Once Upon a Time **NEW**

**Level : K1 – K3**

**Day: Thursday**

**Maximum : 15 students**

**Fee : 400 B / class**

Through guided story reading, discussion, and imaginative role play, children explore stories by talking about characters and events and retelling stories using pictures, puppets, or toys. Children are encouraged to express themselves and begin to communicate ideas more clearly through drawing, role play, and simple storytelling. This after-school supports early literacy, communication skills, creativity, confidence, and cooperative social interaction in a fun and structured learning environment.

# Cheer Dance

**Level : K2 - K3**

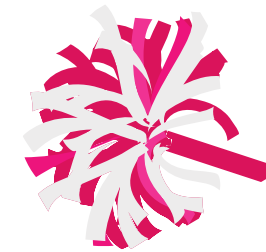

**Day: Tuesday**

**Maximum: 15 students**

**Fee : 800 B / class**

## Course Description

**Cheer Dance is a dynamic combination of cheerleading moves and stylish dances. Students will learn a variety of high energy routines with fun music.**

**Performance cheer are all part of cheerleading and requires a particular skill set; balance, flexibility, speed & power, co-ordination, rhythm, stamina, etc.**

# Phonics

Level : K1 - K2

Day : Tuesday

Maximum : 15 students

Fee : 400 B / class

## Description

### Level 1: Sound Starters

At this foundational stage, students focus on recognizing and identifying the beginning and ending sounds in words. This critical phase helps children build strong phonemic awareness, which is the ability to hear, identify, and manipulate individual sounds in spoken words.

### Level 2: Blend Building

Students move beyond recognizing individual sounds and begin blending multiple sounds together to form simple words. They practice connecting consonant and vowel sounds smoothly, which strengthens their ability to decode words—a critical skill for early reading..

# SAWASDEE

**Level : K2 – K3**

**Day: Tuesday**

**Maximum : 15 students**

**Fee : 400 B / class**

**NEW**

## Course Description

Sawasdee is a playful Thai language class for K.2-K.3 students. Children learn Thai through fun games, traditional crafts, hands-on activities, building basic vocabulary and confidence to use the language naturally in real-life and multicultural settings.

# Fun JPNZ

## Course Description

Let's learn Japanese in a fun and creative way! We'll use songs, games, picture books, and prints to learn the basics of the language and its culture. It's a great way to make learning Japanese fun and memorable.

Level : K1 / K2

Day : Wednesday

Maximum : 15 students

Fee : 400 B/ class

# 書道

年長クラスでは、筆を使った本格的な書道に挑戦します。

基本的な筆遣いを身につけ、文字のバランスや力強さ・のびやかさを意識して練習します。

活動を通して、集中力や表現力を育てるとともに、「できた!」という達成感が自信につながります。

日本の伝統文化に触れながら、心を落ち着けて取り組む時間を大切にしています。

# Shodo

**Level : K3**

**Day: Wednesday**

**Maximum : 10 students**

**Fee : 500 B / class**

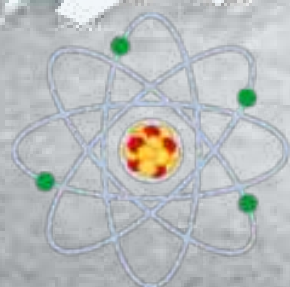

# STEM Play

Level : K0 - K3

Day: Tuesday (K0 - K1) 400B

Friday (K2 - K3) 600B

Maximum: 10 students

## Course Description

STEM Playとは、遊びながら楽しく「物」や「現象」、それらの性質や仕組みに気づいたり、プログラミング的思考を身につけたりする活動です。この活動では、保育者が準備した教材の使い方のみを伝え、それ以外はすべて子どもたちが自分の考えに従って探索を進めていきます。そうした経験を通して、自ら考える力（=思考力）を育てていきます。

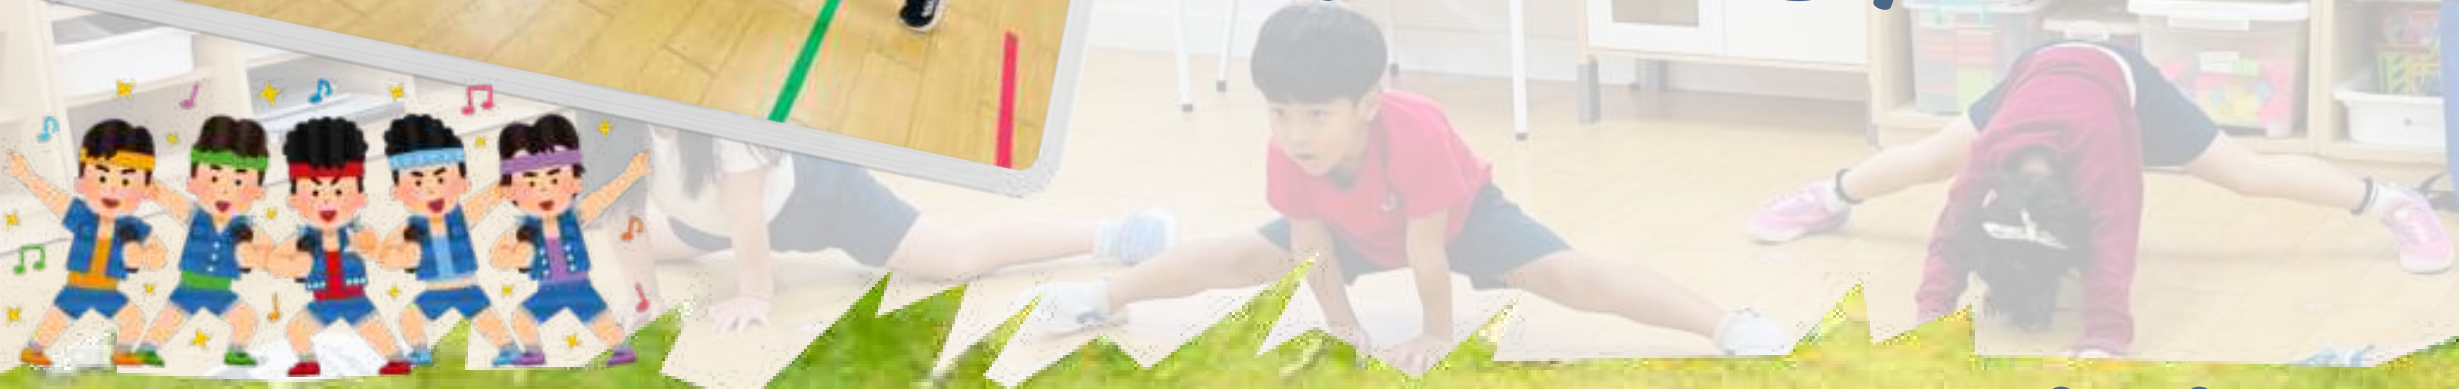

# Hip Hop

**Level : K2 - K3**

**Day: Thursday (K2 - K3)**
